Compassion Projects

Showing compassion to an impoverished community releases God's perfect love to those that are hurting. Each year WCN engages in projects that meet the immediate and on-going physical and spiritual needs of people around the world.

GoodSearch

We continue to improve our web site as a means of communications. It can be used to communicate with our partners, friends and the general public. And it is to be used for everyone to communicate with us. We try to keep it updated with our latest activities, our future plans, signups for missions trips, registrations for seminars, and for registering to be a volunteer. You can even use our links to visit our partner's web sites. We have our Vision and Mission statements and our statement of faith on the site.

If you need to buy international travel insurance you can go to our Multinational Insurance partner link to purchase the insurance. We receive a commission if you purchase and it there is no additional charge to you.

Our newsletters are posted on the site along with photos of various projects.

If you download the free software from Good Search and use it as your search engine on the web, WCN receives a penny each time you use it.

If it is more convenient for you to make a donation on line you can do it through PayPal and you do not have to have a PayPal account. Just click on the PP link and use the credit card of your choice.

WCN Assists Victims of Flood in Uganda

Our Ugandan partner Uganda Scripture Union reported that one of their staff members lost their home in a flood two months ago. This person is a hard working person who is living below the poverty level to help Scripture Union bring the Gospel to the school children. I ask Beth Baleke the Director of SU what it would require to replace the staff member's home. I was thinking we might be able to help a little. Beth's response was "At least \$700". That's right, \$700 to replace her home. How often do we get to replace some ones home for \$700? Well, we were given this chance and we did it. Scott Nieveen, a staff member at Warsaw Community Church was traveling to Uganda to visit Beth and the Scripture Union staff. I gave Scott \$1,000 to replace the home and to help with other expenses. Beth sent an email this week to report the praise to God this lady sent up to heaven when she received word of the gift. She will now be able to continued her work for SU without worry about her home. How wonderful it is to honor one of God's servants.

I belong to the WCN Compassion Corps

Showing Grace and Mercy to a Hungry and Suffering world.

Last year we launched a program called "Volunteer Compassion Corps". We invited you to send you application to become a volunteer. The purpose of the application is so that we can plug you into the volunteer job you want to do. When we have the need we would be able to call you to see if you are able to help. We have experienced some difficulty with getting the data into our computer. We now have that fixed and want to encourage you to logon out web site and signup again. When we receive the application we will contact you to verify we have it. You can expect to be contacted when we have the need you volunteered for. Volunteers are the strength of our ministry. Please logon to www.w-c-n.org or contact us at info@w-c-n.org
