

A Message from our Director

Our Vision: To see people become fully devoted followers of Christ through “Compassion Ministry”.

Our Mission: To help mobilize and assist the church in responding to the needs of victims of disasters and poverty.

Increased Staff Requirements

WCN is over 5 years old. We have gone through growing pains several times the past 5 years but God has always provided. When we needed a warehouse, He provided one

through Mike Metzger. We needed a box truck, He provided through another friend of the ministry. We needed legal assistance to oversee our 501-C-3 application and tax filings, He provided. We needed more partnering churches, He provided. We needed a Board of Directors, He provided. And perhaps, most important, when we needed volunteers, He provided many of you.

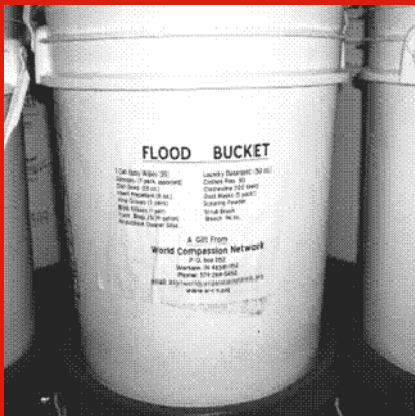

Growth also brings a need for more staff. By 2008, we want to add four staff members. We currently need a **part time office administrator**. We will require about 20 hours a week, Monday through Friday. The location will be in Warsaw, In. This person should be proficient with Microsoft Word, Excel, Access, and Publisher. They will do general filing, answering the phone, and directing communications to the appropriate staff members. This is an hourly paid position.

The second position will be for a **Director of Operations for our Family 2 Family projects**. It will require some international and domestic travel, public speaking, general warehouse work and some truck driving. This is a full time position and this person must raise their salary. This is a great opportunity for a person who wants to be a missionary but prefers not to live in another country. We will assist them in raising their salary. Training will be provided.

The third position is for a **Director of Operations for Disaster Relief**. This person will direct the domestic and international disaster relief efforts of WCN. Travel and public speaking will be required. They must raise their salary as well. WCN will also provide training and assist in the raising their salary.

The fourth position is an hourly paid part time trainee position open during our busy F2F season from Feb to June of 2008. If interested in any of these positions, please mail your resume to WCN, P.O. 1152, Warsaw, In 46581.

Urgent Needs

Provide one for \$25.00

We have an urgent need to replace our supply of flood buckets. These buckets are filled with cleaning supplies to help the victims clean their homes and businesses after a water damage disaster. They are in high demand and often the most important item we can give to help these victims. Our cost to fill and deliver a bucket is \$25.00. Please consider a gift to replace the buckets. Mark your gift FLOOD BUCKET.

Emergency Food

We also desperately need non perishable foods for our disaster relief efforts in the USA. The cost is about \$20.00 per box. Please consider a gift to help our USA citizens who are suffering

WCN has added a new ministry outreach. WCN responds to disasters as necessary with emergency supplies. Many have asked us about helping with recovery after the emergency relief phase. WCN is developing a recovery ministry called Builders of Hope. We have selected an executive committee and appointed an Executive Director to lead this ministry. We are leading teams of volunteers in helping people rebuild their homes and businesses. Cur-

rently we are sending teams to the Gulf Coast to help in rebuilding Hurricane Katrina damaged and destroyed homes. We also are working locally in Mishawaka and South Bend Indiana to repair homes. **If you want be a volunteer or would like to contribute funds to this effort please contact WCN by email and designate any contributions to BOH on the memo line of your check.** Mike Schaffer is the Executive Director of BOH. His email address is schaffer3720@msn.com. Watch for more information in our next issue.
